PLEASE READ THIS NOTICE CAREFULLY AND IN ITS ENTIRETY. YOUR RIGHTS MAY BE AFFECTED BY PROCEEDINGS IN THIS LITIGATION. IF YOU ARE A CLASS MEMBER, YOU MAY BE ENTITLED TO RECEIVE BENEFITS PURSUANT TO THE PROPOSED SETTLEMENT DESCRIBED HEREIN.

EXCLUSION DEADLINE: REQUESTS FOR EXCLUSION FROM THE CLASS MUST CONTAIN THE INFORMATION SET FORTH BELOW AND BE ACTUALLY RECEIVED BY THE CLAIMS ADMINISTRATOR ON OR BEFORE JULY 14, 2009.

I. SUMMARY OF SETTLEMENT AND RELATED MATTERS

A. Purpose of this Notice

This Notice is given pursuant to Rule 23 of the Federal Rules of Civil Procedure and an Order of the Court, dated May 12, 2009. The purpose of this Notice is to inform you that the above-entitled action ("the Action") has been certified as a class action and of the terms of a proposed settlement of the Action. This Notice describes rights you may have under the proposed settlement and what steps you may take in relation to this litigation. This Notice is not an expression of any opinion by the Court as to the merits of any claims or any defenses asserted by any party in this litigation, or the fairness or adequacy of the proposed settlement.

B. Statement of Recovery to the Class

Pursuant to the settlement described herein, \$20,000,000, in a combination of cash and AdWords Credits, have been created for the benefit of the Class. These funds have been placed in an interest-bearing escrow account.

A Class member's distribution from the net Settlement Fund will be determined by a Plan of Allocation to be approved by the Court. An explanation of how each Class member's distribution will be calculated for purposes of the settlement is set forth in the proposed Plan of Allocation which is summarized in Part VI of this Notice below.

C. Statement of Potential Outcome of the Case

Google has denied, and continues to deny, each and all claims of wrongdoing against it and continues to assert defenses thereto, and has expressly denied any wrongdoing or legal liability out of any of the conduct alleged in the Action. Google denies that Representative Plaintiffs or the Class have suffered any damages or are entitled to any restitution. Representative Plaintiffs considered that there was a substantial risk that they and the Class might not have prevailed on their claims and that there were risks that they and the Class could have recovered substantially less than the settlement amount, if the case had been litigated to judgment.

The settlement was reached only after the parties conducted arduous arm's-length negotiations over a period of two months. Representative Plaintiffs' Counsel have determined that the settlement was fair, reasonable and adequate and in the best interest of the Class.

D. Statement of Attorney's Fees and Expenses and Representative Plaintiffs' Incentive Compensation Awards Sought

Representative Plaintiffs' Counsel for the Class intend to apply for: attorneys' fees of not more than \$5,000,000, plus a proportionate share of the interest earned on the Settlement Proceeds, for reimbursement of expenses incurred in connection with the prosecution and settlement of this litigation, not to exceed \$250,000; and for an incentive compensation award to the two Representative Plaintiffs, not to exceed \$20,000 each.

Further information regarding the litigation and this Notice may be obtained by contacting Representative Counsel for the Class:

II. NOTICE OF SETTLEMENT HEARING

NOTICE IS HEREBY GIVEN, pursuant to Rule 23 of the Federal Rules of Civil Procedure and an Order of the United States District Court for the Northern District of California (the "Court") dated May 12, 2009, that a hearing ("Settlement Hearing") will be held by the Court on September 14 2009 at 9:00 a.m., at the United States Courthouse, 280 South 1st Street, San Jose, California, 95113. The purpose of the Settlement Hearing will be, among other things: (1) to determine whether the proposed Settlement Agreement is fair, reasonable and adequate to the Class and should be approved by the Court and, therefore, whether the Action should be dismissed on the merits and with prejudice, and (2) to consider the reasonableness of an application by Representative Plaintiffs' Counsel for payment of attorney's fees and reimbursement of costs and expenses incurred in connection with the Action and for incentive compensation award to the Representative Plaintiffs.

The Court has certified a Settlement Class defined as: all persons and entities residing in the United States who have paid Google for advertising pursuant to Google's AdWords program who (a) became AdWords advertisers between June 1, 2005 and February 28, 2009, inclusive, and who were charged more than their per day Daily Budget on any day during that time period; or (b) paused their AdWords advertising campaigns on any day during the period from January 1, 2002 to February 28, 2009, inclusive, and during the same billing period when their AdWords advertising campaigns were paused, were charged more than the product of their per day Daily Budget times the number of days that such Class Members' advertising campaigns were not paused during that billing period. Excluded from the Class are Resellers, defined as persons or entities whose regular business activities include placing ads on Google's AdWords program on behalf of otherwise unaffiliated persons or entities.

III. BACKGROUND OF THE ACTION

AdWords is a global advertising program offered by Google. This Action concerns Google's billing practice for its AdWords program.

On May 4, 2006, Representative Plaintiffs filed their Second Amended Class Action Complaint, which is the operative complaint in the Action, which alleges five causes of action: (1) Breach of Contract; (2) Breach of the Implied Covenant of Good Faith and Fair Dealing; (3) Violations of Cal. Bus. & Prof. Code § 17200, *et seq.* ("UCL"); (4) Violation of Cal. Bus. & Prof. Code § 17500, *et seq.* ("FAL"); and (5) Unjust Enrichment. In their Complaint, the Representative Plaintiffs sought damages, restitution, and injunctive relief to remedy Google's practice of (1) charging its AdWords advertisers up to 120% of their per day daily budget on any given day (Plaintiffs' "120% claims"); and (2) charging AdWords customers who paused their campaigns more than their per day Daily Budget times the number of days their campaigns were not paused during the billing period (Plaintiffs' "pausing claims").

Google filed four separate motions for partial summary judgment. The Court dismissed the Representative Plaintiffs' Second and Fifth Causes of action for breach of the implied covenant of good faith and fair dealing and unjust enrichment. Google also successfully argued that its practice of charging AdWords Advertisers up to 120% of their daily budget on any given day does not, in and of itself, constitute breach of contract. The Court held that triable issues of fact existed as to whether Google's practice of charging up to 120% of an AdWords Advertiser's per day Daily Budget violates the UCL and FAL and whether Google's pre-September 2006 pausing practices constitute a breach of contract.

IV. BACKGROUND OF THE SETTLEMENT

Google has denied all claim of wrongdoing or liability in the Action. The Settlement Agreement is not and shall not be construed or deemed to be evidence or an admission or a concession on the part of Google of any fault or liability or damages whatsoever, and Google does not concede any infirmity in the defenses which it has asserted in the Action.

Counsel for the parties conducted extensive settlement negotiations to achieve the settlement described herein. The settlement was reached only after the parties conducted arduous arm's-length negotiations and after the parties conducted extensive pre-trial discovery. During the course of this Action, Google produced hundreds of thousands of pages of documents, responded to multiple interrogatories, and Google employees testified at deposition. In addition, Representative Plaintiffs produced documents to Google, responded to interrogatories, and testified at deposition.

In determining to settle the Action, Representative Plaintiffs and Representative Plaintiffs' Counsel have taken into account the substantial expense and length of time necessary to prosecute the litigation through complete pretrial discovery, trial, post-trial motions and likely appeals, taking into consideration the significant uncertainties in predicting the outcome of this complex litigation. Representative Plaintiffs' Counsel believes that the settlement described herein provides substantial benefits to the Class. Based on their consideration of all of these factors, Representative Plaintiffs and Representative Plaintiffs' Counsel have concluded that it is in the best interests of the Class to settle the Action on the terms described herein, subject to the approval of the Court.

Representative Plaintiffs recognized the uncertainty and risk of the outcome of any litigation, especially complex litigation such as this, and the difficulties and risks inherent in the trial of such an action. Representative Plaintiffs desired to settle the claims of the Class against Google on the terms and conditions described herein which provide substantial and immediate benefits to the Class. Representative Plaintiffs' Counsel deems such settlement to be fair, reasonable and adequate to, and in the best interests of, the members of the Class.

Google, while continuing to deny all allegations of wrongdoing or liability, desired to settle and terminate all existing or potential claims against it without in any way acknowledging fault or liability. During the course of the litigation, Google, in addition to denying any liability, disputed that Representative Plaintiffs and the Class were damaged by any wrongful conduct on its part. The settlement provides immediate and substantial benefits to the Class and avoids the risks that liability or damages might not be proven at trial.

THE COURT HAS NOT FINALLY DETERMINED THE MERITS OF REPRESENTATIVE PLAINTIFFS' CLAIMS OR THE DEFENSES THERETO. THIS NOTICE DOES NOT IMPLY THAT THERE HAS BEEN OR WOULD BE ANY FINDING OF VIOLATIONS OF LAW OR THAT RECOVERY COULD BE OBTAINED IN ANY AMOUNT IF THE ACTION WERE NOT SETTLED.

V. TERMS OF THE SETTLEMENT

In full and complete satisfaction of the claims which have or could have been asserted in this Action, and subject to the terms and conditions of the Stipulation, Google has paid \$20,000,000 into escrow on behalf of the Class (the "Settlement Proceeds"), which has been earning interest since on or about March 31, 2009. The Settlement Proceeds, which are inclusive of any Fee and Expense Award and incentive compensation award to Representative Plaintiffs, shall be distributed by Google (with respect to AdWords Credits) and the Claims Administrator in accordance with the terms of the Plan of Allocation described below.

The settlement will release Representative Plaintiffs' and Class Members' Released Claims against the Google. The Released Claims are defined as: any and all claims, demands, actions, causes of action, rights, offsets, suits, damages, lawsuits, liens, costs, losses, expenses or liabilities of any kind whatsoever, for any relief whatsoever, including monetary, injunctive or declaratory relief, or for reimbursement of attorneys' fees, costs or expenses, which the Representative Plaintiffs or any Member of the Class which were or could have been asserted based on the allegations set forth in the complaints filed by the Representative Plaintiffs in the Action, specifically including any and all claims based on a Class Member being charged more than his, her, or its Daily Budget.

Upon the Effective Date of the settlement, the Representative Plaintiffs and Class Members on behalf of themselves, their heirs, executors, administrators, successors, assigns, employees, officers, directors, attorneys, representatives, affiliates, agents, and any persons or entities they represent, shall be deemed to release and forever discharge Google from all Released Claims, and shall forever be barred and enjoined from prosecuting, commencing, instituting or asserting all or any of the Released Claims in any action or other proceeding in any court of law asserting all or any of the Released Claims in any action or other proceeding in any court of law or equity, arbitrational tribunal, administrative or other forum, whether directly, representatively, derivatively, or in any other capacity against Google.

If the settlement is approved by the Court, all claims which have or could have been asserted in the Action will be dismissed on the merits and with prejudice as to all Class Members and all Class Members shall be forever barred from prosecuting a class action or any other action raising any Released Claims against Google.

The settlement will become effective at such time as Final Judgment entered by the Court approving the settlement shall become final and not subject to appeal (the "Effective Date").

VI. PLAN OF ALLOCATION OF SETTLEMENT FUND AMONG CLASS MEMBERS

1. The \$20,000,000 settlement and the interest earned thereon are the "Settlement Proceeds."
2. Upon final approval of the settlement by the Court and the satisfaction of the other conditions to the effectiveness of the Settlement, the Settlement Proceeds will be allocated under the Court's direction and supervision, as follows:
 - a. To pay the fees, expenses and costs of Representative Plaintiffs' Counsel as and to the extent allowed by the Court;
 - b. To pay an incentive compensation award to each Representative Plaintiff to the extent allowed by the Court; and
 - c. To pay all costs and expenses reasonably incurred in connection with the preparation and filing of tax returns and the payment of taxes on the interest earned on the Settlement Proceeds, including all taxes and tax expenses.

3. Subject to the approval by the Court of the Plan of Allocation described below, the balance of the Settlement Proceeds remaining after the payment of the foregoing fees, costs, expenses and taxes (the "Net Settlement Proceeds") shall be distributed in the form of cash or AdWords Credits as set forth below, to Class members who have not requested exclusion from the class in accordance with the instructions contained in this Notice. The following methodology shall be used to calculate the distribution to each Class member:

$$\frac{(\text{Class Member's Total Overcharges}) \times (\text{Net Settlement Proceeds})}{\text{sum total of Estimate of all Class Members' Total Overcharges}}$$

a. "Net Settlement Proceeds" means the remaining balance of the Settlement Proceeds, including all interest earned thereon, following payment of any Fee and Expense Award as allowed by the Court.

b. "17200 Overcharge" means the dollar amount that a Class Member, who signed up for AdWords between June 1, 2005 and February 28, 2009, was charged by Google in excess of his, her, or its per day Daily Budget, the first month such overcharge occurred.

c. "Overcharge" means to charge an AdWords Advertiser more than his, her, or its per day Daily Budget on any given day.

d. "Pausing Overcharge" means the dollar amount that Google charged a Class Member, who paused his, her, or its campaign for any amount of time in a billing period, in excess of the product of the Class Member's per day Daily Budget times the number of days that the campaign was not paused during the same billing period, at any time during the period between January 1, 2002 and February 28, 2009, inclusive.

e. "Total Overcharges" means, for each Class Member, the sum of his, her, or its 17200 Overcharges and Pausing Overcharges, less any Overcharges that are duplicative of the Pausing Overcharges.

f. "Claims Administrator" means Gilardi & Co. LLC.

g. For each Class Member who has a balance due on his, her, or its AdWords account as of the Class Member Distribution Calculation Date that is equal to or greater than that Class Member's Distribution (defined as "Active AdWords Advertisers"), Google will issue AdWords Credits in the amount of such Class Member's Distribution within ten business days of the Class Member Distribution Calculation Date. At the time of distribution, Google will notify each Class Member who is an Active AdWords Advertiser who has a balance due on his, her, or its AdWords account as of the Class Member Distribution Calculation Date that is less than such Class Member's Distribution that they may elect to receive cash in lieu of AdWords Credits by contacting Google via email. To make such an election, the Active AdWords Advertiser must notify the Claims Administrator within forty days of the Class Member Calculation Date via email or in writing, including the following information: (1) name of Class Member; (2) AdWords account(s) number; (3) email address associated with AdWords account; (4) mailing address. The request must be emailed to the Claims Administrator at the following email address: claims@adwordscustomersettlement.com, or sent to the Claims Administrator at the following address:

CLRB Hanson LLC et al. v. Google Class Action Settlement
c/o Gilardi & Co. LLC
P.O. Box 808054
Petaluma CA 94975-8054

Each Active AdWords Advertiser who makes such an election before the designated deadline shall receive that portion of the Class Member's Distribution that is in excess of the balance due on his, her, or its AdWords account in cash.

h. The Claims Administrator will issue checks to all Class Members who are not Active AdWords Advertisers, in the amount of each Class Member's Distribution. To the extent, at the conclusion of efforts to make distributions to Class Members, there remains any undistributed portion of the Net Settlement Proceeds, it shall be disposed of pursuant to the instructions of Representative Plaintiffs' Counsel, with approval of the Court. Under no circumstances shall the Net Settlement Proceeds, or any portion thereof, be paid or otherwise revert to Google following the Effective Date of the Settlement.

i. The computation of each Class Member's Distribution shall be made by Google or the Claims Administrator, and the data supporting such computation shall be supplied to the Claims Administrator. Payment pursuant to the Plan of Allocation set forth above shall be conclusive against all Class Members. No Person shall have any claim against Representative Plaintiffs' Counsel, the Claims Administrator or other agent designated by Representative Plaintiffs' Counsel, Google, or Google's Counsel based on the distributions made substantially in accordance with the Settlement Agreement, the Plan of Allocation, or further orders of the Court.

4. If the proposed Settlement is approved by the Court, the Court will enter a final judgment (the "Judgment") which will:

a. Dismiss the Litigation against Google with prejudice, and without costs;

b. Adjudge that Representative Plaintiffs and each Class Member, except those members of the Class who have previously timely and validly requested exclusion from the Class, shall be deemed conclusively to have released the Released Claims (as described above) against Google. Notwithstanding that Representative Plaintiffs or any Class Member may hereafter discover facts in addition to or different from those which Representative Plaintiffs and Class Members now know or believe to be true with respect to the Litigation and Released Claims or to the subject matter of the release, plaintiffs and each Class Member shall be deemed, upon the Effective Date of the Settlement, to fully, finally and

forever settle and release any and all Released Claims as against Google;

c. Bar and permanently enjoin Representative Plaintiffs and each Class Member, except those members of the Class who have timely and validly requested exclusion from the Class, from prosecuting any Released Claims against Google; and

d. Reserve jurisdiction, without affecting the finality of the Judgment entered, over:

- (i) Implementation of the Settlement and any award or distribution of the Settlement Proceeds, including interest thereon;
- (ii) Disposition of the Settlement Proceeds;
- (iii) Hearing and determining Representative Plaintiffs' Counsel's applications for attorneys' fees, costs, interest, and expenses (including fees and costs of experts and consultants) and for an incentive compensation award for Representative Plaintiffs;
- (iv) Enforcing and administering the Settlement, including any releases given in connection therewith; and
- (v) Other matters related to the foregoing.
